DESIGN DANIEL LIBESKIND, 2018

IT Si avvicina all'idea di scultura la collezione che rappresenta la personale interpretazione di Daniel Libeskind dell'ambiente bagno, espressa attraverso la rivisitazione dei principi dell'estetica neoclassica. La serie si distingue per il dinamismo delle forme, realizzato mediante un atto di torsione che rende protagonista la plasticità della ceramica bianca. Trattata espressivamente al pari di un blocco di marmo di Carrara e caratterizzata da vibranti effetti chiaroscurali.

EN Advancing towards the concept of sculpture, this collection represents Daniel Libeskind's personal interpretation of the bathroom environment, expressed through a return to neoclassical aesthetic principles. The series is distinguished by the dynamism of its forms, created by means of an act of torsion that places the plasticity of white ceramic in the leading role. Treated precisely like a block of Carrara marble and characterised by vibrant *chiaroscuro* effects.

Charme

DESIGN LAUDANI & ROMANELLI, 2013

IT Citazioni classiche e linee senza tempo per la serie Charme firmata Laudani & Romanelli. IT Il tema della sottigliezza incontra con successo il mondo dei sanitari in ceramica. È la sfida raccolta da Silvana Angeletti e Daniele Ruzza che avvicina i pezzi in collezione alla tattilità espressiva di materiali. Un lavoro progettuale operato per sottrazione per dare vita a una serie di lavabi e sanitari definita da proporzioni sempre più alleggerite.

EN The theme of subtlety successfully meets the world of sanitarywares in ceramic. This is the challenge taken up by Silvana Angeletti and Daniele Ruzza, which brings together the pieces in the collection to the expressive tactility of materials. A project carried out by subtraction to create a set of washbasins and sanitarywares characterized by increasingly lighter proportions.

IT Non nasconde la sua natura evocativa il lavabo *freestanding* firmato da Silvana Angeletti e Daniele Ruzza e realizzato in terracotta. È un tributo a un materiale antico che evoca ritualità legate al tema della coppa o dell'anfora, riattualizzate attraverso un gioco di fuori scala e linee rivisitate.

EN It does not hide the evocative nature of the freestanding washbasin expressed by Silvana Angeletti and Daniele Ruzza and created in terracotta. Frutto di brevetti esclusivi Azzurra, è uno dei prodotti di punta della filosofia *Bespoke* dell'azienda, basata sulla personalizzazione dimensionale attraverso taglio su misura e sulla dotazione di una palette di colori dai toni caldi e eleganti. Uniko, interamente realizzato in ceramica, è connotato da un piano uniforme dall'estetica lineare, privo di bordi e molto sottile. EN A revolutionary shower tray, in many aspects. The result of exclusive Azzurra patents, this is a keystone product in the *Bespoke* company philosophy. It is based on dimension customization with a tailor-made cut, and a colour palette of warm and elegant tones. Uniko is made entirely in ceramic, features a uniform tray with a linear aesthetic, it is devoid of edging and very thin. IT È un piatto doccia in ceramica con bordo a rilievo che risolve attraverso un pattern grafico tridimensionale la funzione antiscivolo, convertendola in estetica grazie a una maglia geometrica a griglia ortogonale. Oltre che decorativo, il motivo favorisce al meglio il deflusso dell'acqua verso la piletta di scarico. Nove le varianti dimensionali per un'altezza di 4 cm.
