Rain Collection

La collezione Rain si ispira alla natura, stilizzandone l'essenza in un mosaico semplice ma evocativo. Il tema della pioggia è reinterpretato con un segno grafico unico, che varia in direzione e spessore, creando composizioni che vanno dall'essenziale all'artistico. L'elemento grafico, disposto in modo asimmetrico e casuale, richiama la naturale imprevedibilità della pioggia.

The Rain collection's simple yet evocative mosaic tiles capture nature's essence. It offers a new take on the rain theme with a pattern that changes with the laying direction and thickness, creating minimalist and artistic compositions alike. The graphic element is positioned asymmetrically, evoking rain's natural unpredictability.
